Is Oven Rack Position Important? : The Reluctant Gourmet

Is Oven Rack Position Important? G. Stephen A good rule of thumb is that, if it is more important for the bottom to brown while baking, place the rack low. If it is more important that the top brown, place the rack high. Of course, the converse holds true, as well: if the top of your pie is browning too quickly, place it on a lower rack. If the bottoms of your cookies are browning too
