(U.S. News and World Report) "I love the book, The Millionaire Next Door. It talks about how it is a myth that most millionaires in America have inherited their money. The fact is, we have created such a great country over 250 years. We have actually found the way for poor people to go from nothing to huge wealth and to create a life-changing opportunity for their children and grandchildren. We

As someone with a degree in economics, I found "The Millionaire Next Door" very interesting with its various methods of evaluating how the 'wealthy' behave. The book provides some great examples of varying perceptions of utility. In fact I have used the buying cars by the pound example more than a few times. Not suprisingly, the vast majority of the millionaires studies subscribe (perhaps [Millionaire Next Door: The Surprising Secrets of America's ...](#)
