[What is the best book on schizoaffective disorder? - Quora](#)

This was the only book out there at the time and it was very interesting to me- I had to order it from the publisher and it was very expensive. It is a research-heavy text, not a memoir or any sort of feel-good narrative. I was particularly concerned about the differences between schizophrenia and schizoaffective, as my half-brother was a paranoid schizophrenic. This book goes to great lengths
