[What is Business Law? - QuizLaw](#)

Broadly speaking, business law refers to the laws that apply to business entities, such as partnerships and corporations. For the moment, QuizLaw has focused on the laws relating to setting up and creating such a business.
[Business Law Chapter 10 - Term Paper](#)

Constitutional law is the foundation for all other law in the United States and is the supreme law of the land. Statutory law is created by a legislative body and approved or disapproved by the executive branch of government. Administrative law is the source of law that authorizes the exercise of authority by executive branch agencies and independent government agencies. Common law is
