Rated 4 out of 5 by Emma from Favourite Catching Fire is
my favourite book out of the Hunger Games Trilogy. Most
sequels tend to drag a little but, but I found Catching Fire
to be excellent. Yes, it is a little like the first book, but it is
also extremely different. And much better if you ask me.

Parents need to know that The Hunger Games: Catching
Fire is the second installment in the Hunger Games trilogy.
Although the book series is extremely popular with tweens
and even younger elementary-school readers, the movie
may be too dark and violent for even mature tween
readers.
