Lev Alburt's Chess Training Pocket Book claims to include the 300 most important positions and ideas in chess. As a mere patzer, I am unqualified to judge this grandmaster's selection, but I have with enthusiasm read and solved the problems in this book at least 6 times over the last decade. I really like the convenience of the small size, as well as the page format. Each left-hand page has 4 chess diagrams, while the right-hand page posts the solutions and Alburt's commentary. This
