[Churches as charities: some basics | Law & Religion UK](#)

In a way the Preston Down case demonstrated this in some ways that just because the criteria of church charity parameters (income, public benefit etc) are met doesn't mean the church has to become a charity. There remains a choice. If it was the case that all churches that meet the parameters have to structure themselves as charities then the CC would be forcing churches to structure

[Tithing to Charity instead of the Church? : Christianity](#)

If you don't support the financial decisions of your church, perhaps you can find a church that you can support financially. All that said, I don't think it's a huge deal to support other nonprofit ministries with a tithe.
