Dead bodies everywhere SOLUTION!!! :: Cities: Skylines ...

The result of this was that I ended up with lots of dead bodies absolutely everywhere in the city and people abandoning buildings and moving out of the city as a result of not wanting to live surrounded by dead bodies. This in turn resulted in total economic collapse.

Dead People, Dead People Everywhere! :: Cities: Skylines ...

I fixed the garbage problem with policies, but this dead bodies thing seems like a major AI bug. There's no reason for all the carnage, no pollution, good road systems, plenty of crematoriums. This is a game killer for me. I'm going to put away the game and come back in a few months to see if they fixed the bug. I'd just like to play the game and grow the city without having to deal with the
