Connection Games: Variations on a Theme Connection games constitute certain kinds of board game that share a common feature: the main goal is to develop or complete a connection of some sort before the other players do.

Connection Games: Variations on a Theme by Cameron Browne

A comprehensive study of the connection game genre, Connection Games provides a survey of known connection games while exploring common themes and strategies.

This book aims to impose some structure on this increasingly large family of games, and to define exactly what constitutes a connection game.
