In all cases, the psionic contingency immediately brings into effect the companion power, the latter being manifested instantaneously only when the prescribed circumstances occur. If complicated or convoluted conditions are prescribed, the power combination (psionic contingency and the companion power) may fail when called on.

Contingency :: 5e.d20srd.org

Choose a spell of 5th level or lower that you can cast, that has a casting time of 1 action, and that can target you. You cast that spell called the contingent spell as part of casting contingency, expending spell slots for both, but the contingent spell doesn't come into effect.

Contingency :: d20srd.org

The contingency spell and the companion spell are cast at the same time. The 10-minute casting time is the minimum total for both castings; if the companion spell has a casting time longer than 10 minutes, use that instead.

Contingency - 5th Edition SRD

For example, a contingency cast with water breathing might stipulate that water breathing comes into effect when you are engulfed in water or a similar liquid. The contingent spell takes effect immediately after the circumstance is met for the first time, whether or not you want it to, and then contingency ends.
