[Direct Application of International Criminal Law in ...](#)

Can national courts base prosecutions of international crimes directly on international criminal law? In a world where national laws often proscribe international crimes in an incomplete or deficient manner, this question has considerable practical relevance for the enforcement of international criminal law. Yet, it has received little attention in doctrine while practice shows widely divergent approaches of national courts to the feasibility of direct application.

[Direct Application of International Criminal Law in ...](#)

International practitioners should be cautious in the identification of customary rules in international criminal law, so as to prosecute and punish suspects of international crimes without

[Direct application of international criminal law in ...](#)
