Gender and communication in Euripides' plays : between ...

In Greek tragedy, women constantly struggle to control language. This book shows how aspects of women's communication-song, silence and secret-keeping as female verbal genres, and the challenges of speaking out of place-constitute a decisive factor in Euripides' portrayal of gender.

Gender and Communication in Euripides Plays - Between ...

Aspects of women's speech song, silence and secret-keeping as female verbal genres, and the challenges of speaking out of place contribute to Euripides' portrayal of women as different from men. Originating in a culture where putting women under scrutiny was part of daily life, Euripides' tragedies dramatise women's constant struggle to control language.
