Genghis Khan - Wikipedia

Genghis Khan as portrayed in a 14th-century Yuan era album; the original version was in black and white. Original size is 47 cm wide and 59.4 cm high.

series on Genghis Khan - Goodreads

Genghis Khan is a historical figure that has always fascinated me because of how little is known about him despite having once ruled much of the known world. This story does an excellent job of telling a compelling story while staying, for the most part, true to the historical record (the author explains in an afterward certain "creative licenses" taken for narrative purposes). I really liked
