*God is not Great* then, is no intellectual dissection, it is a literate obloquy against the ills of religion by one of the most engaging commentators of the day. I had fun with this one - I really enjoy Hitchens's combative style and the way in which he uses his immensley broad knowledge to great effect when making his arguments.

*God Is Not Great* is his call to action a call to rationalists to stop tolerating religious belief and start defeating it. With more defiance than hope, he calls for a new Enlightenment. Faith may usher in another dark age instead, but no one should be surprised that Christopher Hitchens won't go into it quietly.
