The next year at E3 2010, the title's name was announced as Golden Sun: Dark Dawn and a playable demo was made available to attendees. [25] In an interview with Weekly Famitsu in July 2010, Shugo Takahashi stated that unlike its predecessors, this entry is an independent work. [26]

Golden Sun (series) - Wikipedia

Golden Sun is a series of fantasy role-playing video games developed by Camelot Software Planning and published by Nintendo. Golden Sun follows the story of a group of magically-attuned "adepts" who are charged with preventing the potentially destructive power of alchemy from being released as it was in the past.
