At the same time, Growing Up Amish is still subversive in that Wagler in a quiet but authorial voice speaks against tradition for the sake of tradition as well as rebels against group power dynamics, the lack of meaningful communication, and the various social sanctions imposed on the wayward. Even when only making observations and remaining descriptive (146), seeds of subversion are planted.

Press

Growing Up Canadian is the first comparative study of religion among young adults of Muslim, Hindu, and Buddhist immigrant families. Contributors consider how relating to religion varies significantly depending on which faith is in question, how men and women have different views on the role of religion in their lives, and how the possibilities of being religiously different are greater in
