Harper s Illustrated Biochemistry 31st Edition is one the  
most trusted and authoritative books on biochemistry in  
the world. The main reason why it is so much popular  
among the medical students is that of its approach which  
focuses on building stronger foundations in biochemistry  
and bridging this knowledge to clinical medicine.

Harper's Biochemistry is the best biochemistry textbook I have used. Its coverage of medical biochemistry is very thorough plus is easy to use and understand. I would strongly recommend this textbook to any student taking a biochemistry course, regardless of whether it's for medical school or college.
