Though greed, arrogance, solipsism, and marital strife all play their charged roles in Michael Frayn's *Headlong*, it's primarily a comic novel about research not exactly the

most tantalizing satirical hook, especially when that research covers topics as obscure as "the impact of nominalism on Netherlandish art in the 15th century." **A Question of Attribution - archive.nytimes.com** here is a moment in "Headlong," Michael Frayn's rueful and amusing new novel, when the narrator, Martin Clay, reviews all that's taken place and concludes, "The tone of most of the things we do in life is probably going to turn out to have been painfully unsuitable in the light of what happens later."
