Nursing 326: Health Assessment assists nursing students  
in the development of interviewing and history taking  
skills as well as skills in physical examination and  
psychosocial assessment. The collection of data through  
these skills is the first step in the nursing process; the data  
are used as the basis of nursing diagnoses and nursing  
interventions to promote health, prevent illness, or

5 Ways to Do a Health Assessment - wikiHow

How to Do a Health Assessment. A health assessment is a  
judgment of physical, mental and quality standards of a  
person's life. It is most often conducted by a medical office  
and it is often given to elderly people. A health assessment  
may

## COMMUNITY HEALTH ASSESSMENT GUIDELINES 2009

The Community Health Assessment Guidelines have been  
updated from the original document published in 1997.

The revisions reflect various published sources, as well as  
accumulated experience with community health

assessment within the province of Manitoba. Special thanks to the members of the CHA Guidelines Working Group, composed of representatives of regional health authorities from across
