The 6-string banjo, or banjo-guitar (banjitar or guitjo) has a banjo body with a guitar neck. It is the least common of these three styles and is most often used by experienced guitar players who want to produce the sound of a banjo while continuing to use their familiar guitar fret positions. It offers the widest range of notes but is also the most difficult to play and is inconsistent with [Beginning Bluegrass Banjo - Lesson 01 - For absolute beginners](#)
