What is the difference between interrogation and interviewing?

An interview is a search or questioning to determine facts. Once an enforcement officer has all the fact in place, they will then proceed to an interrogation of a suspect, which is in effect an attempt to get a confession.

Chapter 9: Interviewing, Questioning, and Interrogation ...

Interrogation generally takes place in the formal environment of an interview room and is often tape-recorded or video-recorded to preserve the details of what was said. A video recording is the preferred means because it accurately represents the environment of the interview room in which the interrogation was conducted. In challenging the processes of an interrogation where a statement has
