These beard hats are everywhere and I honestly found them to be a little awkward. I just could not wrap my mind around an infant wearing a beard. I adore this client, so I decided to put my knitting super cape on and write a pattern that I could actually live with. What I ended up with is a beard and hat combination that I really truly love. I'm giving it to you, free of charge, so you're

The madmonkeyknits FREE Beard knitting pattern provides full instructions to make beards from various eyelash and hairy yarns which despite being knit to the same pattern all turn out completely different as you can see here in the photos. Each beard takes very little yarn and can be ready to wear in less than an hour.
