[New Incentive to recruit doctors in rural communities ...](#)

The Joint Standing Committee develops programs that strengthen rural health care and encourage physicians to live and practice in rural and remote areas of the province. This initiative will be a boost to many patients living in areas of the province that just don't have enough physicians to take care of them," said Dr. Shelley Ross, president of the BC Medical Association.

[JSC program brings doctors to rural communities | Doctors ...](#)

Thirteen new foreign-trained doctors are working in BC rural communities after completing the Ready Assessment Program (PRA-BC) funded by the Joint Standing Committee on Rural Issues (JSC), a partnership of Doctors of BC and the provincial government. The PRA-BC assesses foreign-trained doctors so they can practice in rural BC communities who are in need of family doctors.
