National Audubon Society - Wikipedia

The National Audubon Society (Audubon) is a non-profit environmental organization dedicated to conservation. Located in the United States and incorporated in 1905, Audubon is one of the oldest of such organizations in the world and uses science, education and grassroots advocacy to advance its conservation mission.

National Audubon Society - Official Site

The Mississippi Flyway is named for the great river underpinning the migration route followed by 60 percent of North America's birds, including the American White Pelicans, Least Terns, and Prothonotary Warblers. By restoring habitat from the headwaters of the Mississippi to the Louisiana Delta, Audubon is protecting birds year-round.
