.NET Test Automation Recipes: A Problem-Solution Approach ...

The five star reviews for this masterpiece are for real, and well deserved. Too bad there aren't more stars. There is no fluff or wasted words here - only meat and potatoes for the practicing test professional involved with test automation. **Best Automation Testing Tools for 2019 (Top 10 reviews)**

Test automation cannot be realized without good tools; as they determine how automation is performed and whether the benefits of automation can be delivered. Test automation tools is a crucial
