The purpose of this quasi-experimental study was to evaluate a large-scale implementation of the Olweus Bullying Prevention Program with children and youth in grades 3-11 in the U.S.

OLWEUS Bullying Prevention Program - Bullying Statistics

The Olweus Bullying Prevention Program is designed for students in grades 3-10, and its adaptation to high school can be discussed. It is a program of some duration, since it says it can be effective with younger students in as little as 8 months, and with older students may require several years. It is important to note that it is not a program aimed at the bullies in the school or even just
