OVGU - Otto von Guericke University Magdeburg  
Otto von Guericke University Magdeburg has a distinctive  
profile. It aims to create a lean and sharply-defined  
structure with its main focus of expertise in the traditional  
areas of engineering, the natural sciences and medicine. It  
also views economics and management and the social  
sciences and humanities as essential disciplines for a  
modern university in the information age.

OVGU CHAIR OF MANAGEMENT SCIENCE

### Welcome to the ...

Welcome to the Management Science Group!

Management Science deals with the formalization and support of business decision making with quantitative methods from operations research and business analytics.

### OVGU - University

Thanks to their shorter decision-making channels, smaller committees and lean structures, medium-sized universities like that in Magdeburg are in a position to react quickly and flexibly to specific demands in science, industry and society.

### International Management - Prof. Dr. Susanne Enke
