Norman Vincent Peale - Wikipedia

Norman Vincent Peale (May 31, 1898–December 24, 1993) was an American minister and author known for his work in popularizing the concept of positive thinking, especially through his best-selling book *The Power of Positive Thinking*.

Understanding the Psychology of Positive Thinking

In recent years, the so-called "power of positive thinking" has gained a great deal of attention thanks to self-help books such as *The Secret*. While these pop-psychology books often tout positive thinking as a sort of psychological panacea, empirical research has found that there are many very real health benefits linked to positive thinking and optimistic attitudes.
