The politics of immigration into America is over votes and power. Democrats gain votes and power from legal immigration. Republicans lose votes and power.

Democrats will gain even more votes and power if illegal immigrants are allowed by law to vote. The U.S.

government is a huge prize for those who run it, bringing money, power and prestige.

Institutional Investors, Voting Power, and Voting Patterns ...

The term voting power is used here to mean a voter's ability to influence voting results by either forming a coalition with other voters or withdrawing from one. A shareholder's a priori voting power under a given majority rule is the potential influence that this rule assigns to that shareholder. [6]

A Mathematical View on Voting and Power

A Mathematical View on Voting and Power Werner Kirsch Abstract. In this article we describe some concepts, ideas and results from the mathematical theory of voting. We give a mathematical description of voting systems and introduce concepts to measure the power of a voter. We also describe and investigate two-tier voting systems, for example the Council of the European Union. In particular
