Prehistoric means the time before recorded history. The
Earth is 4.5 billion years old, but humans have only
walked on the planet for 190,000 years. The earliest living
organisms were microscopic bacteria, which showed up in

fossils as early as 3.4 billion years ago.

Construction Jokes - Construction Worker Jokes

A construction worker came home just in time to find his wife in bed with another man. So he dragged the man down the stairs to the garage and put his penis in a vise. He secured it tightly, super glued it shut, and removed the handle.
