Nevertheless, the pressing necessity for regional development and the work already done on the problem by various agencies justify its being carried forward and brought nearer to reality during the Third and successive Plan periods.

[Geography Strategy - Regional Planning | Current Affairs ...](#)

Regional Planning is one of the tricky portions of the UPSC syllabus. In fact, the wordings of the syllabus sound so generic that one doesn't even feel the need of preparing some of its components. Take regional imbalance for example. It sounds so familiar and obvious (particularly in case of India) that one can almost instantly write a 1500 words essay on it. However, this perception based
