What is social marketing? | The NSMC

Social marketing is an approach used to develop activities aimed at changing or maintaining people's behaviour for the benefit of individuals and society as a whole.

Combining ideas from commercial marketing and the social sciences, social marketing is a proven tool for influencing behaviour in a sustainable and cost-effective way.

Social Media Marketing for Businesses | WordStream

Social media marketing, or SMM, is a form of internet marketing that involves creating and sharing content on social media networks in order to achieve your marketing and branding goals. Social media marketing includes activities like posting text and image updates, videos, and and other content that drives audience engagement, as well as paid social media advertising .

Social marketing - Wikipedia

Social marketing is a form of advertising. It has been a large industry for some time now. Originally with newspapers and billboards, but now we have advanced to huge LCD screens and online advertisement on social medias and websites.
