55 C to 125 C Contact the factory for parts specified with wider operating temperature ranges. *Device temperature grade is indicated by a label on the shipping container.

Starting out and unsuccessful - FreeCAD Forum

I press W I and start typing a coordinate. First problem: instead of a coordinate, the view goes crazy. Apparently my "coordinates" got interpreted as view shortcuts. I worked around this by clicking the mouse in the first text box in the sidebar, but that means the "shortcut" is essentially useless. Is there a preference setting or something for this?
