State, Soul, and Society: The Transformation of Morality ...

Given the complexity of human societies, the idea that a society's moral norms track the stages of its historical development is both controversial and difficult to demonstrate. Yet in *The New Morality*, Edward Rubin, an eminent scholar of the modern state, offers an ambitious account of how current moral norms are inherently connected to the

State, Soul, and Society: The Transformation of Morality ...

Morality is not declining in the modern world. Instead, a new morality is replacing the previous one. Centered on individual self-fulfillment, and linked to administrative government, it permits things the old
