Burton's translation was one of two unabridged and unexpurgated English translations done in the 1880s; the first was by John Payne, under the title *The Book of the Thousand Nights and One Night* (1882-84, nine volumes). Burton's ten-volume version was published almost immediately afterward with a slightly different title, *A Thousand Nights* (*A Thousand Nights*, #1) by E.K. Johnston.

E.K. Johnston's *A Thousand Nights* is a young adult fantasy retelling of the Scheherazade framing story for *One Thousand and One Nights*, the famous collection of Persian, Arabic and Middle Eastern folk tales.
