A little cobbled street in a smoky mill town in the North of England has haunted me for the greater part of my life. It was inevitable that I should write about it and the

[The Invisible Wall: A Love Story That Broke Barriers by ...](#)

The invisible wall in the book title describes the division of peoples on the street where young Harry was boy. It divided the Jews living on one side of the street from the Christians living on the opposite side of the street. Of course, this line or wall was invisible because rather than being built of cement or wood, it was built by the prejudices of the two religions represented on either
