The Signature of All Things Quotes by Elizabeth Gilbert

The old cobbler had believed in something he called "the signature of all things"—namely, that God had hidden clues for humanity's betterment inside the design of every flower, leaf, fruit, and tree on earth. All the natural world was a divine code, Boehme claimed, containing proof of our Creator's love.

The Signature of All Things on Apple Books

The Signature of All Things is a big, old-fashioned story that spans continents and a century. It has an omniscient narrator who can deploy (never heavy-handedly) a significant amount of research into the interconnected fields of late 18th- and early 19th-century botany, botanical drawing, spiritual inquiry, exploration, and, eventually, the development of the theory of evolution.
