### [Air Conditioner with Heat - Window & Wall Unit](#)

An air conditioner with heat is a great option for those who wish to save energy and money over time. Perfect for both residential and commercial use, our air conditioning units are equipped with either a heat pump or electric heat to offer an easy, combined experience that works year-round.  
[Wall Air Conditioners - Air Conditioners - The Home Depot](#)

Air conditioner wall units also need to be installed with a wall sleeve either a through-the-wall sleeve or a slide-out chassis because an exterior wall cannot support the weight of a unit by itself.
