The ancient Greeks may not have been the oldest civilization, but they are doubtlessly one of the most influential civilizations to have ever existed in the world. Even though the rise of ancient Greece came from the Cycladic and Minoan civilization (2700 BC-1500 BC), there is evidence of burials found in the Franchthi Cave in Argolid, Greece that dates back to around 7250 BC. The history of this civilization is scattered over such a huge period of time that historians had to divide it.
